ENERGY SOLUTIONS FOR CRANES, HOISTS & MONORAILS

STOCKING DISTRIBUTOR FOR:

**KABELSCHLEPP**
**CABLE CARRIERS!**

## Microtrak: Smallest Plastic Cable Carrier System

### Features

- End brackets with integral strain relief
- Simple snap-together links make assembly and modifications to chain length effortless
- Hinged-opening cavity lids and economical non-opening links also available

## Plastitrak: Plastic Cable Carrier System

### Features

- Most economical product group to apply because it's the lowest price
- Links are available with optional hinged-opening cavity lids for quick and simple installation of cables and hoses
- Light weight and rugged links molded from fiber-reinforced nylon material

## Conduflex: Flexible Armored Tube

### Features

- Extremely durable and cable-friendly, fiber-reinforced nylon liner
- Multiple mounting bracket configurations allow for surface and flush face connections
- Shiny corrosion resistant and durable stainless-steel outer shell to protect against red-hot chips

## Varitrak S: Steel Cable Carrier System

### Features

- Vertical and horizontal cable separation in nylon or aluminum
- Available with twist on/off reinforced or bolted-on heavy-duty aluminum frame stays
- Metal side-bands made of extremely durable stainless or plated steel
